SBMax Update Reverts Back to Previous Naming Convention for Edited Files By Rob Baird  
The initial HYPACK 2012 release included a naming convention change for all edited format files written by the SINGLE BEAM EDITOR (SBMax.exe), when you select Default File Naming in the SBMax Save Options. However, due to popular demand, we have reverted back to the naming convention from previous HYPACK versions. Th...

Document Naming Conventions  
General guidelines  
1 At a minimum use the first three conventions  
2 Use common acronyms be sure to check with your kids to avoid embarrassing texting acronyms but please do not use abbreviations  
This is to improve searchability Most people do not type in abbreviations and if your title uses them the paper may not be found during a search  
The more accurate and descriptive you...
